Subject: Coggeshall Street at I-195 Westbound ramps
As-built Traffic Regulation Package

Dear Mr. Boudreau:

On behalf of the City of New Bedford, CDM Smith is pleased to submit the enclosed As-Built Traffic Regulation Package for the intersection of Coggeshall Street at I-195 Westbound ramps in New Bedford.

Construction was completed at this location and a final inspection performed by MassDOT District 5 Traffic staff on May 25, 2012 with Bell Traffic, Inc. present. I have been informed by Patrick McKenna of District 5 that everything went well.

Therefore, the enclosed as-built traffic regulation package includes the following:

- Application for traffic control signal regulation
- Timing and sequence chart
- 20 scale plan that can be folded into 8.5"x11"
- Clearance calculation worksheets (please note, all clearances programmed in the controller have been rounded)
- Photos of each intersection approach and inside the controller
- Traffic signal maintenance agreement #58773
