

SIGNAL HEAD ASSEMBLY & ORDERING INFORMATION

LED COUNT GUIDE		1	2	3	4	5
SECTIONS	LED COUNT	1	2	3	4	5

HOUSING COLORS (Back, Door, and outside of Visor)
B: GLOSS BLACK
V: VICTOR STANLEY GREEN OR NEW YORK GREEN
Z: SPECIAL - Define on the request for quotation.
X: Non-Std for Poly - Define on RFQ. Requires Workman Quantity Order. See Purchasing Mgmt.

Inside of visor color F Flat Black
LED or MISCELLANEOUS - Reflector Material not applicable with LED versions. LED/Misc digits (1-3) - refers to reflector material for legacy parts only. Digits 4 or 5 will indicate differences between like parts where the part number would otherwise be the same. Using A or B or yet to be determined letters or numbers will reflect a specific LED manufacturer that Siemens will install.
