RE: Roadway Reconstruction and Related Work (including Bridge Construction and
Traffic Signals) on a section of Route 18 (JFK Highway)
New Bedford, MA
MassDOT Contract No. 68025
A. A. Will Project No. 582 Trans No. 159
Contractor Proposal Number (CPN) 008 DRAFT
Temporary Traffic Signal Modifications for Union St

Dear Mr. McCourt,

A. A. Will is pleased to forward this draft proposal for work associated with the attached temporary traffic signal plans as designed. The cost to perform the signal modifications is seventeen thousand two hundred and eighty two dollars \$17,282.00. All existing underground traffic signal conduits and wiring is anticipated to be in tact and available for use if necessary. In the event that these conduits and wiring require additional work, the resident engineer will be notified. This proposal does include furnishing new temp heads and could be eliminated from the proposal if the City has these items available for use.

Pursuant to the provisions of the Contract Documents, Division I – General Requirements and Covenants, Section 4.03 – Change Orders and all other applicable sections of Division I, kindly accept this proposal for costs associated with the above referenced work.

Should you have any questions, please do not hesitate to contact us.

Sincerely,
A. A. Will Corporation

Mike Rennie
Project Manager
