Subject: Roadway Reconstruction and Related Work on a Section of Route 18, New Bedford MA

Re: Temporary Traffic Signals- Union St/MacArthur Dr/JFK St

Mr. Rennie,

Based on the temporary traffic signal plans issued by the project, via email, DE has reviewed the proposed temporary traffic signal plan and purpose the following scope of work to include but not be limited to:

- Install two temporary posts and bases set in drums (posts, bases and drums to be provided by others)
- Furnish and install signal heads Q, M, P7 and P8 on signal post
- Furnish and install signal heads P, L, P13, and P14 on signal post
- Remove and store signal head B
- Remove and store signal head A
- Remove and store mast arm with signal heads L/M
- Remove and store mast arm with signal heads S/D/C/P
- Remove and store signal post with signal head Q, P7/P8
- Terminate, test and activate

The total cost to perform this work is: \$15,625.00

This is based in normal working conditions and excludes all traffic management and police details.
