Good afternoon,

Enclosed you will find check number 1079, a permission slip, the obstruction permit and the disturbance permit for the work being requested at 1024 Sheffield St.

As we discussed over the phone on 11.09.2020 we will need to return these items to you in order to have these signed and returned to us in order to us to proceed with the driveway permit.

What is needed:

Permission Slip:

Please have this filled out and signed by the owner. We are unable to process the driveway permit without there written permission as you are the person pulling the permit.

Check Number 1079:

This check was received but is not signed. Please have this signed and returned to us for processing.

Obstruction and Disturbance Permit:

These permits were received but you have not signed them. Please have them signed and returned to our office for us to process them. If you know the date that you are looking to start this job, we can fill in the obstruction and disturbance permits once all the paperwork is signed and returned.

If there are any questions, please do not hesitate to contact our office.

Thank you,
Amanda Jupin
Project Coordinator
