

5110-2021

APPLICATION FOR
PERMIT FOR STREET OBSTRUCTION
(Under New Bedford City Code, Chapter 22)

New Bedford, Mass: **NOV 10 2021**

To the Mayor and City Council:

The undersigned respectfully requests permission to obstruct

Location of obstruction applied for
(Number of building and side of street)

Multiple Locations on Summer St.

Wald St - Clark St

See Provided map and images

for purpose of Restoring utility poles with a steel truss.

@ 493

Material of outside walls of building N/A

Time provided in contract for completion of work ; if no contract, the estimated time required to complete the construction, rebuilding or repairs 3 months

Time for which space is applied November 1, 2021 to December 31, 2021

Space proposed to be obstructed in street or sidewalk:

Length 10 ft. around the utility pole

Projection into sidewalk 10 ft. from utility pole

Projection into roadway Our trucks are 26ft in length and will be parked along curb near pole.

Nature of obstructions Using a fiberglass support pole, a pneumatic jack hammer is raised to a height of about 8 ft. Using the jack hammer the truss is driven into the ground.

Provisions made for travelers

As further consideration for this permit, the applicant shall hold the City of New Bedford harmless and indemnify it for any and all injury to loss, cost, damage, expense, (including reasonable attorneys fees) and liability on account of the obstruction in the street and/or sidewalk and any work done in connection therewith.
