\$500 stormwater

PLEASE NOTE:

It is the responsibility of the applicant and the contractors to be familiar with DPI procedures/ regulations and ascertain that all proposed work which falls under DPI jurisdiction, whether shown on the submitted site plan or not, is identified and executed in accordance with City of New Bedford DPI Construction Standards/Specifications. The Certificate of Occupancy (CO) will not be signed for any work performed that is non-compliant and/or if any of the following conditions are not met.

The following conditions are to be met by the applicant (being the owner and/or their representative) as part of this permit approval:

- 1.) The site plan submitted in View Permit, titled: "Subsurface Sewage Disposal system & Building Plan, Owner: Christopher Ciano, Assessors Map 124C-Lot 54, New Plainville Road, New Bedford, MA", having a date of 9/23/2020 (last revised 3/4/2021), as prepared by Sitec, Inc. and stamped/signed by Steven D. Gioiosa, P.E. (Civil), is approved for obtaining DPI permits, with the following comments/conditions:
 - a. The required driveway permit must be obtained from DPI and the required inspection(s) scheduled.
 - b. The required inspections for the recharge system must be scheduled with DPI prior to backfilling. The applicant will be responsible for payment of the final inspection fee(s) prior to the CO being issued.

- 2.) Must provide 1 stamped/signed copy of the "final" site plan approved by DPI for the driveway permit and the recharge system inspection required for the new dwelling. In addition, a copy of the foundation permit and of the stamped/signed foundation as-built plan must also be submitted.
