Mr. Felix M. Jasinski

Dear Sir:

It has been brought to my attention that you installed a house drain on the east side of Swan Street, 465 ft. south of Butler Street into the city sidewalk and street without permission, contrary to city regulations.

You are herewith informed that the City of New Bedford will not be responsible for the proper operation of the drain. This will be your responsibility, due to your disregard for the city regulations.

Very truly yours,

Nathan S. Ellis
