

CITY OF NEW BEDFORD

APPLICATION FOR LAYING BUILDING SEWER AND/OR DRAIN SERVICE

Application N^o 19581

8/14/73
Date

To the Mayor and City Council:

I hereby request that a building sewer and/or drain be laid for the premises at Side Lucas St. 5' ± E of W. Red Tr. Blvd
to connect with the sewer/drain in Lucas street,
the same to be laid in the street and the surface repaired as directed by the Commissioner of Public Works.

I hereby agree to pay at the office of the City Treasurer all cost of performing the above work in the manner specified, in excess of the deposit made herewith, within 10 days after the completion of the work.

It is understood and agreed that the deposit made with this application shall be applied to the payment of the cost of performing the work done, and that any excess of deposit over the cost shall be returned to me by the City Treasurer.

Eileen M. Gaughan

City Clerk

Laid from main in street to property line.
Owner agrees to supply all necessary materials and transite pipe.

REPORT OF THE COMMISSIONER OF THE DEPARTMENT OF HEALTH
FOR THE YEAR 1900

The following is a summary of the work of the Department of Health during the year 1900. The Department has been organized since the year 1895, and during the past year has been engaged in the study of the various problems connected with the health of the city. The Department has been organized into several divisions, each of which is responsible for a certain part of the work. The divisions are: the Division of Sanitation, the Division of Public Health, the Division of Laboratories, and the Division of Statistics. The Division of Sanitation is responsible for the regulation of the various trades and professions, and for the enforcement of the various laws relating to the health of the city. The Division of Public Health is responsible for the study of the various diseases and for the prevention of the same. The Division of Laboratories is responsible for the examination of the various samples of food and drink, and for the examination of the various specimens of disease. The Division of Statistics is responsible for the collection and the publication of the various statistics relating to the health of the city.
