The report of the Commissioner of the Department of the City of New York, for the year ending December 31, 1870, is herewith submitted. It contains a full and complete statement of the affairs of the Department, and of the progress of the various works and improvements which have been carried out during the year. It also contains a statement of the receipts and disbursements of the Department, and of the state of the various funds. The report is divided into two parts, the first of which contains a general statement of the affairs of the Department, and the second of which contains a detailed statement of the progress of the various works and improvements. The report is prepared by the Commissioner of the Department, and is submitted to the Board of Aldermen for their consideration and approval. It is then published by the City of New York, and is made available to the public.
