

CITY OF NEW BEDFORD

APPLICATION FOR LAYING BUILDING SEWER AND/OR DRAIN SERVICE

Application **Nº 19896**

May 4, 1976

Date

To the Mayor and City Council:

I hereby request that a building sewer and/or drain be laid for the premises at .....

#1206 Sassaquin Avenue

Oriole Street Sewer

to connect with the sewer/drain in ..... Oriole Street, street,  
the same to be laid in the street and the surface repaired as directed by the Commissioner of  
Public Works.

I hereby agree to pay at the office of the City Treasurer all cost of performing the above  
work in the manner specified, in excess of the deposit made herewith, within 10 days after the  
completion of the work.

It is understood and agreed that the deposit made with this application shall be applied  
to the payment of the cost of performing the work done, and that any excess of deposit over the  
cost shall be returned to me by the City Treasurer.

REPORT OF THE ENGINEERING DEPARTMENT ON THE PROGRESS OF THE

1900

The following is a summary of the work done by the Engineering Department during the year 1900. The work was divided into three main branches: the design and construction of new works, the repair and maintenance of existing works, and the investigation of the causes of failures in existing works. The design and construction of new works included the design and construction of a new water supply system for the city, the design and construction of a new sewerage system for the city, and the design and construction of a new harbor system for the city. The repair and maintenance of existing works included the repair and maintenance of the water supply system, the sewerage system, and the harbor system. The investigation of the causes of failures in existing works included the investigation of the causes of failures in the water supply system, the sewerage system, and the harbor system.
