

CITY OF NEW BEDFORD

APPLICATION FOR LAYING BUILDING SEWER AND/OR DRAIN SERVICE

Application **Nº 20012**

June 15, 1976

Date

To the Mayor and City Council:

I hereby request that a building sewer and/or drain be laid for the premises at

west end State Pier at Union Street

to connect with the sewer/drain in State Pier street,
the same to be laid in the street and the surface repaired as directed by the Commissioner of
Public Works.

I hereby agree to pay at the office of the City Treasurer all cost of performing the above
work in the manner specified, in excess of the deposit made herewith, within 10 days after the
completion of the work.

It is understood and agreed that the deposit made with this application shall be applied
to the payment of the cost of performing the work done, and that any excess of deposit over the
cost shall be returned to me by the City Treasurer.

W. J. Sullivan

My dear Mr. Sullivan:

I have just received your letter of the 14th inst. regarding the matter of the proposed new building for the National Bureau of Standards. I am very glad to hear that you are so interested in the project and that you are willing to contribute to its completion. I am sure that your contribution will be most appreciated.

I am sure that the new building will be a great asset to the Bureau and that it will be a great credit to the Government. I am sure that it will be a great help to the Bureau in its work and that it will be a great help to the country.

I am sure that the new building will be a great asset to the Bureau and that it will be a great credit to the Government. I am sure that it will be a great help to the Bureau in its work and that it will be a great help to the country.

I am sure that the new building will be a great asset to the Bureau and that it will be a great credit to the Government. I am sure that it will be a great help to the Bureau in its work and that it will be a great help to the country.

I am sure that the new building will be a great asset to the Bureau and that it will be a great credit to the Government. I am sure that it will be a great help to the Bureau in its work and that it will be a great help to the country.

I am sure that the new building will be a great asset to the Bureau and that it will be a great credit to the Government. I am sure that it will be a great help to the Bureau in its work and that it will be a great help to the country.

Very truly yours,
John D. Lusk

Enclosed are the plans for the new building. I am sure that you will find them very interesting and that they will be a great help to you in your work.

I am sure that the new building will be a great asset to the Bureau and that it will be a great credit to the Government. I am sure that it will be a great help to the Bureau in its work and that it will be a great help to the country.
