

CITY OF NEW BEDFORD

APPLICATION FOR LAYING BUILDING SEWER AND/OR DRAIN SERVICE

Application **Nº 20060**

.....September 2, 1976.....  
Date

To the Mayor and City Council:

I hereby request that a building sewer and/or drain be laid for the premises at .....

.....925 May Street.....

to connect with the sewer/drain in .....May..... street,  
the same to be laid in the street and the surface repaired as directed by the Commissioner of  
Public Works.

I hereby agree to pay at the office of the City Treasurer all cost of performing the above  
work in the manner specified, in excess of the deposit made herewith, within 10 days after the  
completion of the work.

It is understood and agreed that the deposit made with this application shall be applied  
to the payment of the cost of performing the work done, and that any excess of deposit over the  
cost shall be returned to me by the City Treasurer.

THE CITY OF NEW YORK  
OFFICE OF THE COMMISSIONER OF THE DEPARTMENT OF HEALTH

REPORT OF THE COMMISSIONER OF THE DEPARTMENT OF HEALTH  
FOR THE YEAR 1900

The following table shows the number of cases of the several diseases reported to the Department of Health during the year 1900, compared with the number reported during the corresponding years of 1899 and 1898. The diseases are arranged in alphabetical order, and the number of cases is given in the first column. The second column shows the number of cases reported during the year 1900, and the third column shows the number of cases reported during the year 1899. The fourth column shows the number of cases reported during the year 1898. The fifth column shows the percentage increase or decrease in the number of cases reported during the year 1900, compared with the number reported during the year 1899. The sixth column shows the percentage increase or decrease in the number of cases reported during the year 1900, compared with the number reported during the year 1898.
