

CITY OF NEW BEDFORD

APPLICATION FOR LAYING BUILDING SEWER AND/OR DRAIN SERVICE

Application **Nº 20063** permit# 21047  
04/28/1986

September 7, 1976  
Date

To the Mayor and City Council:

I hereby request that a building sewer and/or drain be laid for the premises at .....

972 west side Fox Street 200' - north of Winston Street  
to connect with the sewer/drain in ..... Fox street,  
the same to be laid in the street and the surface repaired as directed by the Commissioner of  
Public Works.

I hereby agree to pay at the office of the City Treasurer all cost of performing the above  
work in the manner specified, in excess of the deposit made herewith, within 10 days after the  
completion of the work.

It is understood and agreed that the deposit made with this application shall be applied  
to the payment of the cost of performing the work done, and that any excess of deposit over the  
cost shall be returned to me by the City Treasurer.

ALBANY, N. Y., DECEMBER 31, 1904

The following is a summary of the work done by the General Land Office during the year 1904. The work has been divided into three main parts: the first part deals with the general administration of the office, the second part deals with the work done in the various divisions, and the third part deals with the work done in the field.

The first part of the report deals with the general administration of the office. It contains information about the personnel of the office, the budget, and the general work of the office. It also contains information about the work done in the various divisions of the office, such as the Surveying Division, the Land Division, and the Mineral Division.

The second part of the report deals with the work done in the various divisions of the office. It contains information about the work done in the Surveying Division, the Land Division, and the Mineral Division. It also contains information about the work done in the various bureaus of the office, such as the Bureau of Land Management, the Bureau of Reclamation, and the Bureau of Indian Affairs.

The third part of the report deals with the work done in the field. It contains information about the work done in the various field offices of the office, such as the Alaska Land Office, the Hawaiian Islands Land Office, and the Philippine Islands Land Office. It also contains information about the work done in the various field bureaus of the office, such as the Bureau of Land Management, the Bureau of Reclamation, and the Bureau of Indian Affairs.
