

CITY OF NEW BEDFORD

APPLICATION FOR LAYING BUILDING SEWER AND/OR DRAIN SERVICE

Application No 20230

Nov. 10, 1927
Date

To the Mayor and City Council:

I hereby request that a building sewer and/or drain be laid for the premises at
North side Bulfinch Road 160' E end
of Brighton Court
to connect with the sewer/drain in Bulfinch Rd street,
the same to be laid in the street and the surface repaired as directed by the Commissioner of
Public Works.

I hereby agree to pay at the office of the City Treasurer all cost of performing the above
work in the manner specified, in excess of the deposit made herewith, within 10 days after the
completion of the work.

It is understood and agreed that the deposit made with this application shall be applied
to the payment of the cost of performing the work done, and that any excess of deposit over the
cost shall be returned to me by the City Treasurer.

REPORT OF THE COMMISSIONER OF THE DEPARTMENT OF HEALTH
ON THE PROGRESS OF THE CITY OF NEW YORK
IN THE YEAR 1900

The following is a summary of the work done by the Department of Health during the year 1900. The work was divided into three main branches: the Bureau of Sanitation, the Bureau of Vital Statistics, and the Bureau of Public Health.

The Bureau of Sanitation was organized on January 1, 1900, and has since that time been engaged in the work of improving the sanitary conditions of the city. The work of this bureau has been divided into three main branches: the Division of Sanitation, the Division of Inspection, and the Division of Investigation.

The Division of Sanitation has been engaged in the work of improving the sanitary conditions of the city by the enforcement of the Sanitary Code. The work of this division has been divided into three main branches: the Division of Sanitation, the Division of Inspection, and the Division of Investigation.

The Division of Inspection has been engaged in the work of inspecting the city for sanitary conditions. The work of this division has been divided into three main branches: the Division of Sanitation, the Division of Inspection, and the Division of Investigation.

The Division of Investigation has been engaged in the work of investigating the causes of disease. The work of this division has been divided into three main branches: the Division of Sanitation, the Division of Inspection, and the Division of Investigation.
