

CITY OF NEW BEDFORD

APPLICATION FOR LAYING BUILDING SEWER AND/OR DRAIN SERVICE

Application No 20321

August 3, 1978

Date

To the Mayor and City Council:

I hereby request that a building sewer and/or drain be laid for the premises at
E.S. Belleville Ave., 55' \pm N. of Jireh St.

to connect with the sewer/drain in Belleville Ave. street,
the same to be laid in the street and the surface repaired as directed by the Commissioner of
Public Works.

I hereby agree to pay at the office of the City Treasurer all cost of performing the above
work in the manner specified, in excess of the deposit made herewith, within 10 days after the
completion of the work.

It is understood and agreed that the deposit made with this application shall be applied
to the payment of the cost of performing the work done, and that any excess of deposit over the
cost shall be returned to me by the City Treasurer.

Belleville Ave.

The Board of Alcohol, Drugs and Fireworks has received a report from the City of New Bedford regarding the proposed construction of a new building at the intersection of Belleville Ave. and 11th St. The report states that the proposed building is to be used for the storage of fireworks and other explosives. The Board has reviewed the report and has determined that the proposed building is in violation of the City's fireworks storage regulations. The Board has therefore ordered the City to stop the construction of the building and to remove any materials that have been stored there.

The Board has also received a report from the City of New Bedford regarding the proposed construction of a new building at the intersection of Belleville Ave. and 11th St. The report states that the proposed building is to be used for the storage of fireworks and other explosives. The Board has reviewed the report and has determined that the proposed building is in violation of the City's fireworks storage regulations. The Board has therefore ordered the City to stop the construction of the building and to remove any materials that have been stored there.
