Application No 20376
D.J. 2

11/15/78
Date

To the Mayor and City Council:

I hereby request that a building sewer and/or drain be laid for the premises at

S. Side Bryant Lane 220' ± E. of Shady Lane
Insp. Only - Contractor to perform all work - New main to be tested + accepted
prior to connection - no Ent. Fee Bryant Lane
to connect with the sewer/drain in street,
the same to be laid in the street and the surface repaired as directed by the Commissioner of
Public Works.

I hereby agree to pay at the office of the City Treasurer all cost of performing the above
work in the manner specified, in excess of the deposit made herewith, within 10 days after the
completion of the work.

It is understood and agreed that the deposit made with this application shall be applied
to the payment of the cost of performing the work done, and that any excess of deposit over the
cost shall be returned to me by the City Treasurer.

ials and Transite pipe.

January 1, 1900

The following is a summary of the work of the Department of Health during the year 1899. The Department has been organized since the 1st of January, 1899, and has since that time been engaged in the study of the various problems connected with the health of the city. The work of the Department has been divided into three main branches: the study of the causes of disease, the study of the methods of preventing disease, and the study of the methods of curing disease. The Department has been successful in its work in all these branches, and has been able to secure the cooperation of the various departments of the city in its work.

The Department has been successful in its work in all these branches, and has been able to secure the cooperation of the various departments of the city in its work. The Department has been successful in its work in all these branches, and has been able to secure the cooperation of the various departments of the city in its work. The Department has been successful in its work in all these branches, and has been able to secure the cooperation of the various departments of the city in its work.

The Department has been successful in its work in all these branches, and has been able to secure the cooperation of the various departments of the city in its work. The Department has been successful in its work in all these branches, and has been able to secure the cooperation of the various departments of the city in its work. The Department has been successful in its work in all these branches, and has been able to secure the cooperation of the various departments of the city in its work.

The Department has been successful in its work in all these branches, and has been able to secure the cooperation of the various departments of the city in its work. The Department has been successful in its work in all these branches, and has been able to secure the cooperation of the various departments of the city in its work. The Department has been successful in its work in all these branches, and has been able to secure the cooperation of the various departments of the city in its work.
