REPORT ON THE JOURNAL OF THE LIAISON COMMISSION

The Commission was constituted on the 1st of January 1945, and its first meeting was held on the 15th of the same month. The Commission's task was to study the situation in the Liaison Commission and to make recommendations to the Government. The Commission has since that time held several meetings and has been working on the various matters referred to it. The Commission has found that the Liaison Commission is in a very difficult position and that it is necessary to take immediate steps to improve its situation. The Commission has therefore made several recommendations to the Government, which it hopes will be accepted and put into effect. The Commission has also been working on the various matters referred to it, and it has made considerable progress in this regard.
