

CITY OF NEW BEDFORD

APPLICATION FOR LAYING BUILDING SEWER AND/OR DRAIN SERVICE

Application No 20566

4-2-81
Date

To the Mayor and City Council:

I hereby request that a building sewer and/or drain be laid for the premises at
HOMERS WHARF, E. END PARIS BLDG.

to connect with the sewer/drain in HOMERS WHARF street,
the same to be laid in the street and the surface repaired as directed by the Commissioner of
Public Works.

I hereby agree to pay at the office of the City Treasurer all cost of performing the above
work in the manner specified, in excess of the deposit made herewith, within 10 days after the
completion of the work.

It is understood and agreed that the deposit made with this application shall be applied
to the payment of the cost of performing the work done, and that any excess of deposit over the
cost shall be returned to me by the City Treasurer.

notified of the same.

Janice A. Davidson
City Clerk

Laid from main in street to property line.
Owner agrees to supply all necessary mater-
ials and TRANSITE pipe.

3-10-81

Jack,

Will this serve your purpose? A gurry-loading shed with a berm to contain spillage. What kind of trap do you want for an exterior location such as this?

JS

Bill -

Looks OK as long as the screen is non-removable. However some type of double unit would be better
