

CITY OF NEW BEDFORD

APPLICATION FOR LAYING BUILDING SEWER AND/OR DRAIN SERVICE

Application N<sup>o</sup> 20856

10/24/84  
Date

To the Mayor and City Council:

I hereby request that a building sewer and/or drain be laid for the premises at .....

#10 Shady Lane

to connect with the sewer/drain in Cherry Tree Lane street,  
the same to be laid in the street and the surface repaired as directed by the Commissioner of  
Public Works.

I hereby agree to pay at the office of the City Treasurer all cost of performing the above  
work in the manner specified, in excess of the deposit made herewith, within 10 days after the  
completion of the work.

It is understood and agreed that the deposit made with this application shall be applied  
to the payment of the cost of performing the work done, and that any excess of deposit over the  
cost shall be returned to me by the City Treasurer.

NO 30856

1/21/14

It is the duty of the Board of Health to see that the public health is maintained and that the city is kept clean and free from disease. In the case of the above named person, it is found that he has been guilty of a violation of the health laws of the city. He has been found to be in possession of a large quantity of food which is unfit for human consumption. This food has been found to be spoiled and has been found to be in a state of decay. It is therefore recommended that the Board of Health should take action against this person and that he should be fined for his violation of the health laws. It is also recommended that the Board of Health should take action against the person who has been found to be in possession of this food and that he should be fined for his violation of the health laws. It is further recommended that the Board of Health should take action against the person who has been found to be in possession of this food and that he should be fined for his violation of the health laws. It is also recommended that the Board of Health should take action against the person who has been found to be in possession of this food and that he should be fined for his violation of the health laws.

The Board of Health has been informed that the above named person has been found to be in possession of a large quantity of food which is unfit for human consumption. This food has been found to be spoiled and has been found to be in a state of decay. It is therefore recommended that the Board of Health should take action against this person and that he should be fined for his violation of the health laws. It is also recommended that the Board of Health should take action against the person who has been found to be in possession of this food and that he should be fined for his violation of the health laws. It is further recommended that the Board of Health should take action against the person who has been found to be in possession of this food and that he should be fined for his violation of the health laws. It is also recommended that the Board of Health should take action against the person who has been found to be in possession of this food and that he should be fined for his violation of the health laws.
