CITY OF NEW BEDFORD

APPLICATION FOR CONNECTION TO PUBLIC SANITARY SEWER AND/OR STORM DRAIN

1-1268
Application No. Nº 21527 9/8/993 Date 1-13-88
The undersigned hereby requests permission to connect a building sanitary and/or storm sewer from the
premises located at M+ Planart St. SE COC Kingo Hury, Assessors' Plot
Lot . 130, to the public sanitary/storm sewer(s) in
the same to be installed in accordance with the terms and conditions set forth herein, and the ordinances
of the City of New Bedford.
Name of Property Owner: Michael W. Panagakes. Tel. 990-1775 Owner's Mailing Address: 127 Faunce Col Rd. N. Dart. 03747
Owner's Mailing Address: 127 Faunce Col Rd. N. Dart. 03747
If application is being submitted by other than actual property owner, indicate that person's Name: Donald Conton Tel. (401) 434-646
Mailing Address: 152 Warren ave E Prov RI 02814
and attach Letter of Authorization from Property Owner hereto.
Name: Jul Quightat NEUSON CANDOSO Tel. 994-1493 Address: 345 BRUDGL St. FHUN, MA 02719
JOINT MAINTENANCE AGREEMENT RÉQUIRED
If this connection is to be part of a private service shared jointly with other building owners, attach copy
of Recorded Joint Maintenance Agreement hereto.
PERMITS TO INDUSTRIAL AND/OR COMMERCIAL APPLICANTS
Permits can be issued to Industrial and/or Commercial Applicants only upon receipt and approval by the Commissioner of Public Works of such supplemental information, including drawings, composition and quantity data, and other pertinant information as he may require. In addition, a valid Industrial User Discharge Permit issued by the City, and a valid Permit for Sewer System Extension or Connection issued by the Commonwealth of Massachusetts, Division of Water Pollution Control, shall be required for applicants wishing to discharge industrial wastes to the City's sewer system.
Industrial User Discharge Permit No
Comm. Mass. Sewer Conn./Ext. Permit No
a) Type of Pipe Required: PVC 3DR -3.5
b) Separate Sanitary and Storm connections are required where a 2 - pipe system exists in the street.
c) All work must be inspected and approved by a D.P.W. Inspector, both in the street and on private prop-
erty, before backfilling.
d) A Filing and Inspection Fee of \$ where appli-
cable, must accompany this application.
e) Other requirements: Insp only - Connect to exist. H. H. @ Jones St Joe august to de all week
Applicant agrees to abide by the above terms, as well as all pertinent ordinances of the City of New Bed-
ford, and such other special rules as the Commissioner of Public Works may deem necessary.
