Dear Ms. Lenling:

Recent on-site investigation by a representative of this Department indicates that the property identified as #1020 Meadow Street is connected to the City's sewer system. Records of the Department also disclose that no permit for this connection was ever applied for or issued.

New Bedford City Code Section 16-25, Paragraphs (a), (c), (d), and (k) specify the property owner's responsibilities in this matter. A copy of this Code section is enclosed herewith.

In accordance with the above, you are hereby directed to make application for such Permit at the Engineering Division office in City Hall, Room 303, within (30) days of receipt of this notice. Cost of the Permit for this location is \$310.00.

Failure to act as directed above shall cause you to be subject to the penalties provided in Section 16-23 of the City Code, a copy of which is also enclosed.

Should you have any questions concerning this matter, please call Mr. Bill Boucher of the Engineering Division at 999-2931, extension 333.

Yours very truly,

Kathleen J. Burns
