it the same day.  
Sometimes contractors  
made inspections with

SKETCH PLAN

MEMO

TO: Mr. Ronny Labelle

FROM: Dennis F. Medeiros

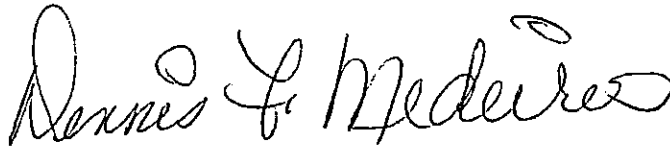

SUBJECT: Extension Request

DATE: 12/13/2006

Dear Sir,

I am asking for a possible extension on digging for sewer water and gas on Bellevue Street, in New Bedford. Due to the fact that the sub-contractors didn't keep to the arranged schedule, the foundation was poured just this Monday 12/11/2006 rather than last month. The forms were stripped today, December 13, 2006. As you can see, your moratorium on cutting the road is the 15<sup>th</sup> of this month, so I would greatly appreciate an extension.

Sincerely,

A handwritten signature in cursive script, reading "Dennis F. Medeiros". The signature is written in dark ink and is positioned to the right of the word "Sincerely,".
