Affordable housing for working individuals

October 7, 2009

Ronald Labelle, Commissioner City of New Bedford Massachusetts Department of Public Infrastructure Engineering Division 1105 Shawmut Ave New Bedford, Ma 02746

RE: Sean Brooke House 280 North St., New Bedford

Dear Commissioner Labelle,

Caritas Communities and Welcome Home Veterans are working together to develop 19 apartments for low income Veterans at 280 North Street.

We are two non-profit organizations that have teamed up to help get these units built for Veterans that desperately need an affordable place to call home.

We are currently under construction and our goal is to have the units available for occupancy in May of 2010.

Given the purpose of this project and the scarcity of resources between our two non-profit groups, we would appreciate any consideration you could afford us in waiving any sewer and water fees that may apply to the project.

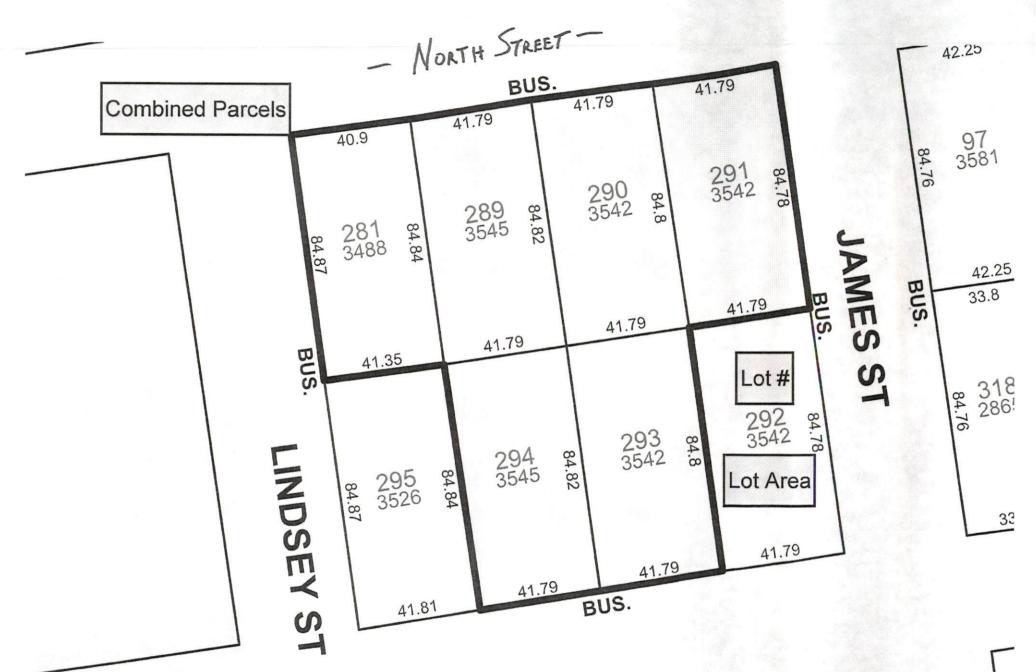

If you have any questions, please call me at (781) 843-1242, ext. 14 or e-mail me at jwright@caritascommunities.org.

Sincerely,

Joylathan B. Wright Project Director
