SEWER PERMIT

The undersigned petitions you to grant permission to ENTER INTO THE MAIN SEWER and, if such permission is granted, hereby agrees to the following:

1. To abide by the conditions and regulations imposed by the Commissioner of Public Works by statute or by ordinance now in force, or as amended from time to time.
2. That the connection of said sewer with the main sewer shall be inspected by an employee of the department of Public Works or by a designated agent of the Town before burial of said connection.
3. That the work shall at all times be under the direction and control of the Commissioner of Public Works or his authorized agent, and that any expense incurred by the Town shall be charged to the permittee, and said permittee agrees to reimburse the Town for said expense.

RE: Sewer Permit # 24410

To Whom it May Concern,

All sewer construction performed by WC Smith & Son was inspected and field approved on a daily work basis by the City of New Bedford's / DPI Sewer Inspecting Engineer.

All new sewer lines and manhole structures installed met City of New Bedford's construction standards. Sewer As-built Plans have been reviewed and approved by the Department of Public Infrastructure.

Respectfully,

Robert R. Bichel
Supervising Civil Engineer
City of New Bedford
Dept. of Public Infrastructure

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities.

2. It is essential to ensure that all data is entered correctly and consistently.

3. Regular audits should be conducted to verify the accuracy of the records.

4. The final section outlines the procedures for handling discrepancies and errors.
