RE: TB-15-2640

Portland St. (NS) Between Brock Ave. & Belmont St.

(Addition to Existing School Building "SeaLab"

Purported Address 71 Portland St.)

Plot 6/Lot 81

Reviewed: 12/14/2015

NOTE TO ALL: If door on this structure to which original address was assigned is relocated or removed as the result of this addition, they will have to apply for a new address for the structure.

Owner/Developer must:

- 1.) Contact D.P.I. for a preconstruction mtg. prior to the beginning of the project, and all requirements/conditions as set forth by D.P.I. at said meeting in regards to the development of this site must be met accordingly. **No permits will be issued by D.P.I. until the preconstruction meeting has taken place.**
- 2.) Provide D.P.I. with a full set (paper copy) of the most recent construction plans for the site for review by D.P.I. before the preconstruction meeting.
- 3.) Contact D.P.I. prior to applying for sewer/storm drain, water and driveway permits to discuss what materials will be required to be submitted to this office prior to these permits being issued. Several paper copies of the plan sheet(s) showing proposed utilities and driveway locations will be required by D.P.I. for permitting purposes. A permission letter from the property owner will be required in order for a representative/agent to sign permits. A copy of the stamped foundation as-built plan and permit must also be submitted.
- 4.) Contact D.P.I.-Engineering at (508) 979-1550 to measure for a new address number if the original door to which the address was assigned is relocated or removed. **No Certificate of Occupancy will be signed unless a legal address has been issued by Engineering for the door location now being utilized as the main entrance of the new structure.**
- 5.) Submit final site as-built to D.P.I. showing location of building and all utilities (i.e. sewer, storm drain, water, etc.) installed as part of this project for City records. **No Certificate of Occupancy will be signed until this has been submitted to D.P.I.**
