Subject: Audrey Rose Farms Subdivision

Christian,

I have received a copy of the recorded subdivision plan from the Registry of Deeds for the above subdivision. However, I cannot create the new parcels until deeds are recorded placing the land that is being combined into common ownership. What I presently have on file is Kathy M. Dehner, Bk. 6067-Pg. 231, for P80/L141, and Elizabeth R. and Christian A. Farland, Ten.-By-Ent., Bk. 8883-Pg. 154, for P80/L140. Until the deeds are recorded, this plan cannot be processed and lot numbers assigned. If there were deeds recorded recently, please provide me with the book/page numbers so I can proceed with processing this plan. Thank you.
