On Oct ~~10~~<sup>4</sup>, 1989 the static

Pressure of four fire hydrants was

taken between 1:00 P.M. and 2:00 P.M.  
at Buttonwood Park.

All hydrants went from 40 P.S.I. to  
43 P.S.I. Two hydrants are located  
in the zoo compound, 1 hydrant near  
the green house and 1 hydrant on  
Buttonwood St + Court St.

Every building at Buttonwood Park  
for the exception of the Senior Citizen  
building is connected to this  
water main.
