Fig. 413. Tilcon to maintain cut.

[illegible]

## This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some faint smudges and discoloration, characteristic of old paper. The left edge of the page shows the binding structure, including what appears to be a vertical strip of material and some stitching or staples. There is no text or other markings on the page.
