5/5/87  
Building knocked down.

[illegible]

## This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some minor discoloration and small brown spots, possibly due to age or handling. A vertical crease is visible near the left edge, and there is a small, dark, irregular mark near the center. The page is otherwise empty of text or illustrations.
