RE: Meter Sources

Per your request, attached is a list of suggested sources for water meters.

Also, be aware the domestic service # 24914 to 163 Acushnet Ave. (former St. James Parish) is a 3" copper service, our records show the 3" tapping gate valve may be broken.

If you have any other questions, I can be reached at 508 979 1550 press 3 for Repair.
