A hand-drawn diagram on a yellowed piece of paper. It shows a large rectangle with a smaller rectangle attached to its bottom edge. The dimensions are labeled in handwritten text: the top horizontal edge is 120', the right vertical edge is 45', and the bottom horizontal edge is 59.4'. A circular feature is drawn below the bottom edge, centered under the 59.4' dimension. The text 'D.C.' is written vertically on the right side. There are also some arrows and a small '8' near the bottom edge.
